Country Home for Sale, Leedey, OK, Dewey County

This country home in Leedey, OK is for sale. This western Oklahoma home hosts 3 bedrooms, 1 bathroom, and has approx. 975 sq. ft. Lies on 11 city lots.

Leedey, Oklahoma home features

This charming, newly renovated Dewey county home hosts oak flooring in the living room, bedrooms, and hallway. The kitchen's renovation includes vinyl plank flooring, garbage disposal, tintage backsplash, painted cabinets, stainless dishwasher, stainless gas range, and vinyl plank flooring. The stainless refrigerator is included with the purchase of the home. The bathroom was given a makeover which included a new tub surround, toilet, vanity, and vinyl plank. The entire interior has been recently repainted, four ceiling fans have been added, and the roof was replaced in 2019. The renovations of the home's exterior include a covered front porch, a back-porch landing, an unattached 34'x 20' steel shed, and a 20' x 12' single, three-sided

garage. This western Oklahoma property lies on a half-block in Leedey, Oklahoma. The acreage contains a corral surrounded by steel pipe and t-post fencing and contains two other small buildings. This property has great income producing possibilities.
